E doc no: CST/ADMIN/2019-07-15-01  
Monday, 19 July 2019, Pollachi

**Subject Resource person for Smart Education app training at Royal University of Agriculture, Cambodia**

Dear Mr. Antony Stephen,

Climate Smart Technologies (CST) has a MoU with Royal University of Agriculture (RUA), Phnom Penh, Cambodia for Smart technologies introduction. CST has been tasked with carrying out training and capacity building for their faculty and students.

You had been anchoring the Smart Education App at Holy Cross College and had been leading the introduction and piloting the Smart Social Worker App, hence having you as resource person will be provide a lots of confidence to the faculty members of the University from a user perspective.

In this regard we would like to invite you as resource person for the Faculty Development program and training which are scheduled from 29<sup>th</sup> July 2019 – 10 August 2019 at the Royal University of Cambodia.

Looking forward to your confirmation to facilitate the visa letter kindly Share your passport details urgently.

With Kind Regards,

Jeevanandhan Duraisamy

Founder CEO

To: Mr. Jeevanandhan Duraisamy,  
Founder CEO,  
Climate Smart Technologies Private Limited,  
Coimbatore, Tamil Nadu, Republic of India.

Subject: Invitation Letter to Visit the Royal University of Agriculture, Phnom Penh, Cambodia  
from 29 July to 8 August 2019.

Dear Mr. Jeevanandhan Duraisamy,

On behalf of the Royal University of Agriculture, and I myself, we would like to express our sincere thanks to you and Climate Smart Technologies Private Limited for collaboration with our University, recently. With this regard, we have great pleasure to invite two staff of Climate Smart Technologies Private Limited to visit our university from 29 July to 8 August 2019 as namely;

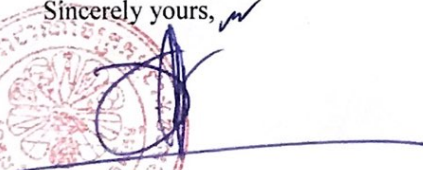

Name	Gender	DoB (dd-mm-yy)	Passport No.	Date of Expiry
Melchior Antony Stephen	Male	12-02-1977	G9559494	03-07-2018
Gyanendra Pratap Kushwaha	Male	23-06-1989	K0573245	18-12-2021

The purpose of this visit is to strengthen smart technology for education, research and management of Royal University of Agriculture toward Industrial 4.0, potential smart technology application for agriculture and capacity upgrade for IoT.

We strongly believe that the visit of your staff will improve capacity of faculties and students for better applying for Internet of Thing for innovative agriculture and irrigation technologies and efficient management.

We are looking forwards to working closely with you. ☺

Sincerely yours, ✍

  
Prof. Dr. SOK Kunthy  
Vice Rector,  
Royal University of Agriculture
