Ph.D. REGULATIONS – APPENDIX – B

FUNCTIONS OF THE DOCTORAL COMMITTEE

1. To discuss advice and recommend on all matters connected with the candidate's research provisional registration till the submission of thesis.
2. To suggest courses to be undertaken by the candidate during the first year of provisional registration. In the light of his/her attainment and with a view of fulfilling the requirements of the research.

Such courses of instruction may be given as short term courses lasting from three to four months in such subjects as may be chosen by the Doctoral Committee and through seminars, discussions, occasional lectures, laboratory techniques, field work etc.

3. To examine the candidate by written and oral examinations, on the completion of such courses, at the end of the first year of provisional registration and to report to the university on the fitness or otherwise of the candidate to proceed with his research work for the Ph.D. Degree and recommending the confirmation of the provisional registration.

In case where a candidate is not approval at the end of the first year by the Doctoral Committee, it may recommend that the candidate should undergo additional course for a further period of not exceeding 6 months, at the end of which he/she shall be examined again; and if found fit, his/her provisional registration will be confirmed and he/she will be permitted to proceed with his/her research work.

A Candidate who is not found fit even after the additional course and re-examination shall not be permitted to continue research and his/her provisional registration shall be cancelled.

4. To monitor the candidate's work periodically by directing him:
 - (i) to give periodical seminars on his work;
 - (ii) to submit half yearly reports to the University on the candidate's progress in research work in the prescribed format (Appendix-G);
 - (iii) to conduct and supervise presentation by the candidate of the final draft of his/her proposed thesis for approval; before the submission of synopsis of the thesis to the University and to give a certificate to this effect to be submitted along with the synopsis;
5. To suggest a panel of nine names for appointment as examiners by the University for evaluating the thesis and for the public viva – voce examination, consisting of nine examiners not only from Southern states but also from north India and abroad in equal proportions as far as possible taking special care to see that none of the names so suggested is an immediate relative of either the candidate or the Supervisor.

Provided the persons suggested for appointment as examiners should have doctoral degree themselves in the concerned field with teaching and or research experience for at least 10 years at the post – graduate level with research publications in standard research journals, national and international to their credit.

Provided further that teaching experience at the post – graduate level may not be insisted upon in exceptional cases, as in some specialized areas of research where there are not enough teachers, but eminent experienced researchers without teaching experience.

1. To discuss, advice and recommend on all matters connected with the candidate's research from provisional registration till the submission of thesis.

2. To suggest courses to be undertaken by the candidate during the first year of the provisional registration and to Examine the candidate by written or oral examinations, on the completion of such courses, at the end of the first year of provisional registration and to forward a report to University on the fitness or otherwise of the candidate to proceed with his/her research, recommending the confirmation of the provisional registration, under Part-I Methodology course.

3. To monitor the student's work by directing him to submit half yearly reports and it should be maintained in the prescribed form and kept by the supervisor in the Department office.

4. The Student should present one seminar after registration in general connected with his/her broad field of research and a second seminar talk on the topic of his /her research.

5. To conduct and supervise the candidate in the presentation of the final draft of his proposed thesis for approval before the submission of the synopsis of the thesis to the University and to give a certificate to this effect to be submitted along with the Synopsis.

6. To suggest a panel of name of appointment as examiners by the University to adjudicate the thesis and to conducting the public viva -voce examination.

Yours faithfully,

Controller of Examinations i/c

FUNCTIONS OF THE DOCTORAL COMMITTEE

1. To discuss advice and recommend on all matters connected with the candidate's research from provisional registration till the submission of thesis.
2. To suggest courses, to be undertaken by the candidate during the first year of provisional registration. In the light of his/her attainment and with a view of fulfilling the requirements of the research.

Such courses of instruction may be given as short term courses lasting from three to four months in such subjects as may be chosen by the Doctoral Committee and through seminars, discussions, occasional lectures, laboratory techniques, field work etc.

3. To examine the candidate by written and oral examinations, on the completion of such courses, at the end of the first year of provisional registration and to report to the university on the fitness or otherwise of the candidate to proceed with his research work for the Ph.D. Degree and recommending the confirmation of the provisional registration.

In case where a candidate is not approved at the end of the first year by the Doctoral Committee, it may recommend that the candidate should undergo additional course for a further period of not exceeding 6 months, at the end of which he/she shall be examined again; and if found fit, his/her provisional registration will be confirmed and he/she will be permitted to proceed with his/her research work.

A Candidate who is not found fit even after the additional course and re-examination shall not be permitted to continue research and his/her provisional registration shall be cancelled.

4. To monitor the candidate's work periodically by directing him:

- (i) to give periodical seminars on his work;
- (ii) to submit half yearly reports to the University on the candidate's progress in research work in the prescribed format (Appendix-G);
- (iii) to conduct and supervise presentation by the candidate of the final draft of his/her proposed thesis for approval; before the submission of synopsis of the thesis to the University and to give a certificate to this effect to be submitted along with the synopsis;

To suggest a panel of nine names for appointment as examiners by the University for evaluating the thesis and for the public viva – voce examination, consisting of nine examiners not only from Southern states but also from north India and abroad in equal proportions as far as possible taking special care to see that none of the names so suggested is an immediate relative of either the candidate or the Supervisor.

Provided the persons suggested for appointment as examiners should have doctoral degree themselves in the concerned field with teaching and or research experience for at least 10 years at the post – graduate level with research publications in standard research journals, national and international to their credit.

Provided further that teaching experience at the post – graduate level may not be insisted upon in exceptional cases, as in some specialized areas of research where there are not enough teachers, but eminent experienced researchers without teaching experience.
