Dear Dr. Vathani mam,

We would like to let you know that after deliberation, we are **confirming your proposal for Developing a Study to assess the Socio-Economic, Health and Infrastructure Survey in Vengadu & Pillaipakkam Villages in Sriperumbudur Block, Kanchipuram District** as per our request, As for the part of our CSR initiatives.

As we discussed earlier **Kone Elevators India** intends to work among the communities of two villages; namely Vengadu and Pillaipakkam. We envision to create lasting change in the lives of people in these villages with sustainable growth by providing adequate opportunity for every person to lead a productive life.

CSRs Initiatives to be productive mandates a systematic and scientific inquiry. Such initiations for planned interventions to ensure community participation for sustainable development we require baseline information on the community, which will include mapping its form and structure, enumerating particulars related to key stakeholders, information pertaining to different groups (Children, youth, women, adults and elderly) existence of varied resource patterns, seasonal variations, expressed and observed needs.

As we have discussed all these before, and even you have mentioned all these in your proposal, we would like to give you the confirmation on commencing the study at the early June.

Kindly provide us a date to start, we concern your students availability. Let's work on signing the agreement procedures. We request you to prepare agreement bond with the terms and conditions for this contract and send us a initial copy, to get it confirmed with our legal team.

Regards
