

3. C.S.G.A.B at Thakkar Bapa Vidyalaya

Extension Activity

It works for the visually challenged students from the weaker section. Students come from a long distance to the school for their reading classes. These students are pursuing their graduation course from various colleges.

Ngo's Feedback:

We always welcome student volunteers to assist the beneficiaries in reading. The student volunteers were very comfortable sitting with these volunteers as they were also students like them. They prefer more volunteers who can read Tamil.

Volunteers Feedback:

It was a great pleasure to volunteer for this cause. It was a nice experience to help them in reading.
