Chennai - 600 008, India

Dear Professor Dr. S. Raja Samuel,

Paadhaisociety for underprivileged is a Registered Non-Governmental Organization under Tamilnadu Societies Registration act 1975. It is working for the welfare of the children those who are orphan, Children from broken families, Homeless children and Children are in need of care and protection. Paadhaisociety also extended its services to the underprivileged youth and women from local Community by providing them training on Education, Environment and Human Rights Issues.

Paadhaisociety is happy to **working together** with **Madras School of Social Work** in order to strengthen students from your esteemed institution by way of accommodating them into our Organization to do their **internship**, Concurrent **field work** as well as Block Placement. During internship, students are being involved in various activities to get practical knowledge in Casework, Groupwork, Community Organization and other Administerial works.

We are happy to have had the opportunity to take in students with bright minds and great passion towards the overall country's development and societal wellbeing. We are looking forward towards more such **collaborative internships, projects and programs** which can be put into use for the greater good of our Nation.

Regards,

Founder Secretary
