GLRA India is a Chennai based not-for-profit organization involving in humanitarian services across many states/cities with the core objective to care and support people affected by Leprosy, Tuberculosis and transform the lives of People with Disabilities through medical and social Rehabilitation. GLRAs vision is "A World in which no one suffers from Leprosy, Tuberculosis, and poverty related diseases and the consequences they bring such as Physical Disability and Social Exclusion.

One of GLRA's new initiatives in 2018 is a "Community Based Inclusive Development (CBID) project - **SAKSHAM** (meaning 'Capable') which is already initiated in Zone 8, of Chennai Corporation for empowering People with Disabilities for social inclusion.

Implementation of this project has started with a baseline survey to identify the needs of the disabled people living in Zone -8 and by conducting a need analysis. **GLRA has collaborated** with the UG department of **Madras School of Social Work**, and engaged the 2nd year BSW Students to participate as volunteers in this survey. This has been made possible through the dedication and commitment of Mrs. P.K.Vathani (Head of the Department), the Faculty Members and the Students of BSW, UG - Department of Social Work at MSSW.

We take this opportunity to express our appreciation and gratitude to all the students and officials of the UG department for their humanitarian services to the most under privileged.

With Best Regards,

Shibu George
