**Sub : Confirmation for Students Internship collaboration between TIDC and MSSW**

Dear Sir,

Greetings from TIDC.

TIDC is one of India's leading manufacturers of power transmission chains for the industrial, automotive and agricultural segment and is part of the INR 269 Billion Murugappa Group. TIDC India was established in 1960 and today is the undisputed market leader in both the industrial and automotive chains. The company made a foray into Fine Blanking in line with its vision of becoming a prominent global player in power transmission components and is now a major supplier of FB components to the automotive industry.

We are happy to confirm our collaboration with MSSW for students internship / Fieldwork. Students who have done internship in the past shown great desire to learn and fulfilled their responsibilities in the organization with commitment and passion.

We are very happy to have the collaboration with MSSW and wishing to have our relationship in the long term for the beneficial of our organization and for the students.

For TIDC India

  
Venkatesh V

Deputy Manager – Human Resources
