MBTI

Mr.Manish Gupta

The Myers-Briggs Type Indicator (MBTI) instrument has helped millions of individuals throughout the world gain awareness about themselves and how they interact with others. The MBTI® instrument enables personal and organizational transformation by giving people a powerful tool to improve how they communicate, learn and work. The department wanted the students to acquire these skills and conducted MBTI test with the help of Mr.Manish Gupta and the outcome of the test results were used to match students current skills with what is required.

DAY-1 - Myer Briggs Type Indicator (Manish and Bela) ^{wife} 1-3-2021

An extensive session on the MBTI. We were taken through MBTI by decoding every individual type. Starting off with understanding what is Emotional Intelligence and moving on to each type under MBTI. We had an Indepth understanding of the type with the different behaviours & the statements that apply to each type. Followed up with an activity that reflected each step gave an upfront understanding of each type and also reflect on the different personality type that we identify with.

Topics covered

Extraversion & Introversion, Sensing & Intuitive, Thinking & Feeling, Judging & Perceiving.

DAY-2 - Professional Skills (Soloman Victor Stanley) 2-3-2021

The session covered areas like voice & Accent, Etiquette (Email etiquette, cubicle etiquette, Telephone etiquette, Dinner etiquette) Meeting Management.

There were many group activities that were conducted in respect to each topic. We were asked to make sentences for all the vowel sounds to improve the pronunciation of many common words. We also looked into the etiquettes of different kinds and what are the Do's and Don't for each etiquette. We were also taught how to frame and write a proper business mail.
