# Welcome to your future. Welcome to Cognizant.

Hello,

We are thrilled to have you join the Cognizant family and we want to get you started soon. We hope you are as thrilled as we are to join us. We are writing to you to keep you posted about the B School Campus Cycle. We are at the verge of completing it by February 2021.

We are also planning to conduct a couple of leadership sessions and we welcome you to join them. We will inform you by email about the details of the sessions.

We are getting your offer letters ready and we should be done by February end or early March, 2021. Once ready, they will be sent directly to your inbox. We will communicate to you other details like – date of joining, and the onboarding process, as we move on.

**Mandatory documents** – You will need to keep certain documents handy, such as PAN, Aadhaar card, and passport. If you don't have these documents ready, please get them done.

Congratulations once again on being selected to join the Cognizant family. We look forward to having you with us. In the meanwhile, you could login to our website [cognizant.com](http://cognizant.com) and learn more about us!
