## MSW (AIDED) SPSS PROGRAMME (2018-19) Resource person-Dr.Ramakrishnan. PROGRAMME OVERVIEW

The faculty coordinator introduced the resource person and asked the student coordinator to read the resource person's profile. He also highlighted on rule an regulations to be followed for these two days. The SPSS programme started at 9.00am, in the computer centre of Madras school of social work. The guide lines for the programme are that every student should bring the Laptop's for their practice. It was a full day programme and the resource person is Dr.Ravanan, Principal, Presidency college, Chennai.5.Before he starts the programme; he has given the work sheets containing raw data of a pertinent research problem.

The resource person was given orientation on how they have to use data, with a data available, he taught the students about distributions – normal and binomial, central tendencies, measures of dispersion, frequencies and percentages to calculate, everything - he said. With help of SPSS, the resource person taught the student's on – chi-square, z-test, simple correlation, t-test, ANOVA, and bivariate regression. The Last one hour was allotted to students to ask some doubts. The students were asked some questions related to Bi-variate analysis and asked pre-test and pilot study.

To conclude, the SPSS training went well. There were no absentees in the class. It was very meticulously arranged. The students learnt more knowledge and skills on how to generate the two way tables, Percentage analysis. Anova test, correlation test etc. The SPSS training was got over by vote of thanks by student representative. In vote of thanks the students acknowledged about the computer lab professional, for his support in installing software in all the system in a lab as well helped the students to upload the same in their Laptop.
