

Programme -4

1. Little flower convent – school for the visually challenged girl child

- Extension Activity

26th march to 31 March 2017

Established in 1926, the **Little Flower Convent Higher Secondary School for the Blind** is run by the **Sisters of the I.C.M. congregation**. The school aims at developing the basic skills and talents of wards through holistic education. The teaching aids provided to the students include Walkman, tape recorders and taped lessons and readers. Scribes assist students to prepare and write for their exams.

No.of .Sessions: 4

No.of. Volunteering Hours: 2hr per session.

No.of. Volunteers: 3

Ngo's Feedback:

The institution is happy to have the volunteers to support their hostel students in education and recreational activities.

Volunteers Feedback:

Student volunteers had a good experience working with the girls at the hostel. Initially they were not prepared for the session but with the required guidance in the following session they were clear in their roles and responsibilities and executed them with commitment and compassion.
