

JESUIT REFUGEE SERVICE

Registration No. 43

EDUCATION SUBSIDY FOR CAPACITY BUILDING

The **JESUIT REFUGEE SERVICE (JRS)** is an International Non-Governmental Organization working in 46 countries for refugees, returnees and internally displaced persons. The **JRS** was registered as an International NGO in September 2005, with the Ministry of Economy, Kabul (Registration no. 43), and is engaged in supporting education, especially at the secondary/university levels, and non-formal and technical/ vocational skills training.

Through admission to Jesuit Colleges in India, the JRS offers promising Afghan students an opportunity to pursue higher studies in India. These youth, we hope, will contribute towards the future qualified and committed staff pool for the universities, institutes and schools in Afghanistan. This support is offered on the condition that they commit to return to Afghanistan to serve their country with generous dedication.
