

CAMPUS TO CORPORATE

THE HROD DEPARTMENT ORGANISED CAMPUS TO CORPORATE WORKSHOP AS A PART OF CAREER COUNSELLING FOR THE SECOND YEAR STUDENTS. THE PROGRAMME BENEFITED STUDENTS IN ORDER TO HELP MEET THE CULTURAL SHOCK WHICH ARISES AFTER GETTING PLACED IN THE COMPANY.

Transition is an on-going process in everyone's life that takes place at different stages. This might be from the final years of school to the early years of higher education, occupational training, independent living or social opportunities. The programme provides experience on transition from being a student to becoming a professional. Students gain the confidence to perform a job, yet will be open to learn much on the job. This program was customized to suit the needs of the HROD students and the expectations of the corporate world.
