The image shows two screenshots of a web browser. The top screenshot is the NV Access homepage, featuring a banner with the text: "WE BELIEVE THAT every Blind + Vision Impaired person DESERVES THE RIGHT TO freely & easily access a computer!". The bottom screenshot is the "Download" page for NVDA Version 2021.2. A yellow highlight is under the text: "The NVDA screen reader can be downloaded free of charge by anyone." Below this, there is a paragraph explaining the organization's mission and a note about system requirements: "Please note: NVDA is only available for PCs running Microsoft Windows 7 SP1 and later. If you require a version of NVDA that can still run on Windows XP or Vista, please download the much older NVDA 2017.3 for Windows XP instead. NV Access does not however recommend or support running this older version on newer Operating systems."
